TIDY TOWNS

Tidy Towns have been flat out the past few weeks and the wonderful volunteers are busy sweeping, weeding, painting, planting flowers and litter picking. They also gave five evenings cleaning the cemetery for the mass. Work evenings are Tuesday and Thursday each week starting at 6 pm from the Heritage Centre. Judging is on-going at the moment so it's down to each and every one to make a special effort so we will move closer this year. If you can't come out to help, perhaps you would look after your own area. Any baskets or flowers near your place you could give them a drop of water. In the past two weekends flowers were pulled out of pots at the bridge and thrown into the river. Last weekend, four hanging baskets were taken from Brittas Avenue and flowers taken. All this is extra expense on the committee. We hope when the church gate collection is on in July that these people make a contribution. The committee is voluntary and is trying to do its best for our village and yours. Our sincere thanks to all the residents of Beech Close for their generous contribution to Clonaslee Tidy Towns. It will certainly go to good use. Thank you to Pat Fenlon and CES employees for the great work.
