Request to parishes to promote Global Catholic Petition

A very practical action all can do in this Season of Creation is to sign the global catholic petition: Healthy planet, Healthy People. The link to the petition is: <https://thecatholicpetition.org/>
The Season of Creation resources has this to say about the petition: This year we celebrate the season mindful of the fact that our world continues to deal with the Covid-19 pandemic as well as a devastating climate and biodiversity crisis. We look towards two UN Conferences in the autumn, COP15 (on Biodiversity, due to take place in China) and COP24 (on climate change, Glasgow) in the hope that world leaders take the urgent action that is needed to Restore Our Common Home. Catholics are urged to sign the "Healthy Planet Healthy People" petition as a key action for this year's Season of Creation. This petition has been endorsed by the Vatican Dicastery for Integral Human Development in the hope that millions of Catholics will raise their voices in the public sphere to help Restore Our Common Home in the run up to these vital UN Conferences.
